Lesson Plan

Name of Faculty : **Dr Vidhu Kiran, Assistant Professor**
Discipline : **Computer Science and Engineering**
Semester : **4th (even)**
Subject : **Java Programming Lab**
Lesson Plan Duration : **Feb, 2024 to July 2024**
Work Load (Practical) per week (in hours): Practical-4 hours

Week	Theory/ Practical (Group-I/ II)		Topic Covered Date and Remarks		
	Practical Day	**Topics/ Programs**	**Date**	**HOD**	**Director-Principal**
1st	1	Basic concept of object oriented technology			
2nd	2	Fundamental concept of java programming			
3rd	3	Mathematical problems1			
4th	4	Mathematical problem 2			
5th	5	Mathematical problem 3			
6th	6	Mathematical problem 4			
7th		**1st Minor Test**			
8th	7	1st viva voce			
9th	8	Small java based applications 1			
10th	9	Small java based application 2			
11th	10	Problem into multiple parts			
12th	11	Concept of multithreading			
13th	12	Concept of exception handling			
14th		**2nd Minor Test**			
15th	13	2nd viva voce
