

Week	Practical Name
1	Flakiness and Elongation Index of aggregates
2	Flakiness and Elongation Index of aggregates
3	Specific gravity and water absorption test on aggregates
4	Specific gravity of bitumen
5	Proportioning of aggregates
6	Proportioning of aggregates
7	VIVA VOCE-I
8	Marshall's stability test
9	Marshall's stability test
10	Stripping test on aggregates
11	Determination of bitumen content
12	Determination of bitumen content
13	CBR lab test on soil
14	VIVA VOCE-II
15	CBR lab test on soil
